HIBISCUS SHOW AT FLORIDA STATE FAIR

Mr. Tweedel and Mr. Willis of the Florida State Fair in Tampa attended the Board Meeting held in Orlando recently. They spoke to the members in hopes that we would see fit to put on a regular Hibiscus Show during the Florida State Fair in Tampa. The fair will be held Feburary 2nd thru the 13th. Mrs. Wylie, president of the Sunset Chapter has already promised to have a display of Hibiscus for each day from February 5th thru the 13th. The first three days will be filled with an orchid show.

The board voted to sponsor the Hibiscus Exhibit with the Sunset Chapter being thr functioning body. Each Chapter that would be willing can have one day of this period. Letters will be sent from the Sunset Chapter outlining the plans. Tenative plans are to hold a regular Hibiscus show, perhaps on a smaller scale, on Saturday, February 6th. This will be a show just as the chapters put on each summer. Ribbons can be won, the public will be invited to participate and our own judges will judge the bloom.

Bloom will be needed each day. The Fair officials have agreed to pay the cost of shipping bloom via the bus lines. For additional information drop a note to Mrs. John Wylie, 4213 Bay Vista, Tampa 11, Florida.

The plants in the $1.00 group are grown on their own root. All the rest are grafted on either Scarlet Red or Painted Lady understock. They are in gallon containers and are well grown and healthy. I will pack orders of 12 (or more) plants for shipping for a charge of 15 cents per plant extra. Plants would be shipped express collect. As I am selling out my nursery and not replacing stock, it would be well to make a second choice.

I ALSO HAVE IN STOCK CHOICE ALLAMANDA, IXORA AND GERANIUM PLANTS.
